

Dear Parents and Families:

Reading is the most important skill you can teach a child. Of all the skills kids learn, it is the one you can influence the most. We invite you to visit our Scholastic Book Fair that provides families the opportunity to get involved in a universal mission: *encouraging kids to read every day so they can lead better lives.*

Our Book Fair is giving kids access to good books and the opportunity to choose books will motivate them to read more. And like most acquired skills, the more kids practice reading, the better they'll get.

Reading is vital to every child's success, and it's the door opener to the 21st century for all children. Since there will never be a substitute for a parent's direct involvement in his/her child's education, please make plans to visit our Book Fair.
