Press Release

**West Orange – Cove urges clothing recycling,
welcomes donations of slightly used standardized dress**

West Orange – Cove CISD welcomes the donation of slightly used standardized dress clothing from District families with students that may have outgrown the clothing or moved on to the High School where standardized dress is not required.

“Our District strives to help meet all of our students’ needs whenever possible. We know that recycling standardized dress clothing that may be too small or no longer needed for one child, but still wearable by another is a very viable solution for the economic hard times of others. It is a great way to reach out and help a neighbor,” Lorraine Shannon, Director of Public Information said.

Donated slightly used clothing should conform to district dress code, be free of stains and rips, and be freshly laundered.

The donated clothing will be accepted at the West Orange – Cove Administration Building located at 505 N. 15th Street. Business hours are Monday –Friday from 7:30 a.m. – 4 p.m.

Donated clothing will be redistributed to students, Head Start through grade eight, in need.

Questions regarding donations of slightly used clothing may be directed to the Public Information Office at 882-5627.
